EPFO slashes *late PF* contribution penalties

Heavy Penalties *on Employers*

stat_data 37% Old Yearly Penalty Rate Previous maximum penalty charged yearly to employers for delayed provident fund contributions.

The Vishwas

Relief

stat_data 1% New Monthly Penalty Rate Under the VISHWAS 2026 scheme, penalties can now be settled at this reduced monthly rate based on the delay.

What Changes *and What* Doesn't

comparison_data The scheme reduces the actual principal money your employer owes to your retirement account. The reduction applies specifically to the damages and penalties charged by EPFO, not the mandatory contribution amounts owed.

Why the *Scheme Was* Introduced

card_text The Employees' Provident Fund Organisation introduced this window so defaulting businesses can clear long-pending dues without facing crippling financial collapse from accumulated penalties.

How the *Settlement Works*

flowchart_data Employer applies to settle past delays under VISHWAS 2026 Authorities calculate reduced penalty at 1% per month Company clears outstanding dues and settled penalties

Protecting Your *Own Dues*

checklist_data Log into your EPFO member portal regularly Download your digital passbook to verify monthly credits Check if your employer has left any unaddressed backlogs
